

ANTHONY J. VAN VLIET, AIA, NCARB

PARTNER | SENIOR ARCHITECT

PROFESSIONAL AFFILIATION

- American Institute of Architects
- Roland Run Club - Treasurer

REGISTRATION

- National Council of Architectural Review Boards 2008
- State of Maryland 1992
- State of Texas 1987

PROFESSIONAL EXPERIENCE

As a Partner, Mr. van Vliet has over 24 years of experience in both domestic and international projects, and is involved in all aspects of the design process from Feasibility and Concept, Schematic Design and Design Development, to the supervision and coordination of construction documents.

Since joining DDG in 1987, Tony has guided the creation of innovative award-winning projects around the world, and has experience in virtually every building type including retail, entertainment, residential, hospitality, mixed-use, and renovation projects. Specializing in the design and planning of large mixed-use projects, he is responsible for leadership of project design teams, coordination, input on fees, scope of work, schedules, staffing and contracts.
