

BRENNAN MURRAY

ENVIRONMENTAL GRAPHIC DESIGNER | STUDIO DIRECTOR, GRAPHICS

PROFESSIONAL EXPERIENCE

Brennan rejoins our organization, to bring his years of planning, design, and coordination of signage and graphic systems experience to lead the Graphics Studio. His combined leadership, work ethic, and creative approach to branding and identity translates into a more comprehensive vision that not only benefits our clients but brings a fresh perspective to our multi-disciplinary design studio.

With a wide range of experience in retail, entertainment, mixed-use, and residential projects, his approach to design thinking is both collaborative and in-depth, and it reflects an extensive knowledge of marketable place making solutions within mixed-use environments. Brennan's focus combines strong design with an emphasis on team leadership and collaboration, helping to advance our brand as a leading design firm.
