

# LAUREN REISER, LEED AP

STUDIO DIRECTOR, INTERIORS

## REGISTRATIONS

- Leadership in Energy and Environmental Design (LEED)

## PROFESSIONAL EXPERIENCE

With 14 years of experience in the interior design field, Lauren has a wide range of commercial design and project management experience. She works with corporate, retail and healthcare clients to develop new ways to work and provided branded environments that support productivity and health. She has earned the trust of her clients who rely on her to understand and interpret their needs. Lauren has demonstrated a solid track record of consistently meeting company standards and exceeding client expectations which establishes her as an integral team member. Lauren's strength is in branding the customers space to align with their corporate identity.
